

SMITH WALBRIDGE CLINICS

P.O. Box 859 | Mahomet, IL 61853

217-687-2005 | Fax: 866 401-4406 | swclinics@swclinics.com | www.swclinics.com

Welcome, from the Owners of SWC!

Dear Participants and Parents,

We wish to warmly welcome you to our camp, Smith Walbridge Clinics.

Last year marked the 75th anniversary of the camp's operation, growing from its humble beginnings in 1949 as a small twirling baton camp with its own grounds, to servicing hundreds of students from across the country in all marching band and leadership disciplines. It is the first and longest running camp of its kind in the United States. This year, you will become a part of its legacy.

Smith Walbridge Clinics is an extraordinary place, made special by its staff, instructors, philosophy, and teaching. We are both former participants, then staff members, administrators, and now owners. The camp has been a very special part of our lives for many years. You can trust that you have chosen a safe, professional, fun, and transformative place for you/your child to learn and grow their musical, performance, and leadership skills. The camp experience at SWC is often imitated but never matched.

We are both personally involved with every aspect of the camp's operation, planning, staffing, and curriculum. Please know that all decisions made at the clinic consider you/your child's safety and well-being as paramount. You are always welcome to contact us with any concerns you may have.

Please take the time to review this carefully detailed and descriptive packet. We are so excited for you or your child to join us for a one-of-a-kind camp experience and life-long memory this July!

With Warm Regards,

Barry L. Houser and Abigail L. Houser

SMITH WALBRIDGE CLINICS

2025 All-Clinics Information Packet

Contact Information:

Smith Walbridge Office:

Smith Walbridge Clinics
P.O. Box 859
Mahomet, IL 61853

Office: 217-687-2005

Fax: 866-401-4406

E-mail: swclinics@swclinics.com

24-hour emergency contact line:**217-687-2005**

After hours, this line automatically forwards to an administrator cell phone if you need to reach someone at any time during the clinic.

Clinic Site:

Eastern Illinois University
Taylor Hall
2121 4th St
Charleston, IL 61920

Sending mail to participants at EIU is discouraged since it often arrives after the sessions are over and must go through central receiving.

SW is not responsible for mail sent to students.

O'Brien Field Ceremonies:

O'Brien Field
75-87 W. Grant Ave
Charleston, IL 61920

See "Closing Ceremonies and Check Out Times" in following pages for clinics which have a ceremony, and its location. Map in packet also follows.

Payments and Refunds:

After submitting your/your child's registration, a receipt will be e-mailed to you at the address you used to set up the account/registration.

Each time additional payments are processed, a new receipt is sent. Check it closely for accuracy. Refunds are made up to the deposit amount for cancellations.

TO MAKE ADDITIONAL PAYMENTS:

1. **Checks** (preferred): Include participant name and clinic(s) attending. Send to: Smith Walbridge Clinics, P.O. Box 859, Mahomet IL 61853. Payable to: Smith Walbridge Clinics.
2. **School Purchase Order:** Only the school, band director, or booster organization can request a purchase order. The organization can mail or email either a school P.O. form, OR a detailed email with all necessary information. SWC will remit an invoice for payment upon receipt. Purchase orders can be sent to: Smith Walbridge Clinics, P.O. Box 859, Mahomet IL 61853, OR emailed to: swclinics@swclinics.com, OR faxed to: 866-401-4406
3. **Credit Cards:** Can be processed by logging back in to your account (see "Manage your online account," in emailed receipt, or locate at <https://campsself.active.com/smithwalbridgeclinicsinc> at any time).

All balances must be paid in full in order for the participant to check-in to the clinic. Final payments may be made AT the clinic check-in, or before by the methods above.

What to Bring:

All Participants:

- Casual/sport wear clothing for everyday
- Gym shoes (2 pair), socks
- Alarm clock
- Swimsuit (optional, for swim night)
- Laundry bag
- 2 white t-shirts (can have writing), 2 dark shorts for pics and ceremony (not directors)
- Snacks (optional)
- Sun wear: hat, sunglasses, SPF 30+ sunscreen
- Bedding** (sheets, blanket, pillow) for twin XL, OR sleeping bag and sheet

- OPTIONAL: Your own laptop (instructions will be emailed for a trial period of PYWARE for download and use)
PYWARE can be purchased from SW Band Products at a discount. Contact: 877-286-9925

Check-In and Start Times (Central Time Zone):

Clinic	Start Date	Check-In Window	Location	Classes Begin
Color Guard Clinic	7/08	9:00am-1:30pm	Taylor Hall	2:00pm
Section Leader Clinic	7/08	9:00am-1:30pm	Taylor Hall	2:00pm
Drumline & Front Ensemble Clinic	7/08	9:00am-1:30pm	Taylor Hall	2:00pm
Directors Clinic	7/08	9:00am-1:30pm	Taylor Hall	2:00pm
Student Conductor Clinic	7/11	12:00pm-1:30pm	Taylor Hall	2:00pm
Drill Design Clinic	7/11	12:00pm-1:30pm	Taylor Hall	2:00pm
Drum Major Clinic, Session I	7/13	9:00am-1:30pm	Taylor Hall	2:00pm
Mace & Signal Baton Clinic	7/18	12:00pm-1:30pm	Taylor Hall	2:00pm
Drum Major Clinic, Session II	7/20	9:00am-1:30pm	Taylor Hall	2:00pm

Payment in full is due at check-in.
Late arrivals report to Taylor Hall front desk to check-in.

Closing Ceremonies and Check-Out Times (Central Time Zone):

Clinic	End Date	Ceremony Time	Location	Checkout
Color Guard Clinic	7/11	10:30am-Noon	O'Brien Field	Follows ceremony
Section Leader Clinic	7/11	10:30am-Noon	O'Brien Field	Follows ceremony
Drumline & Front Ensemble Clinic	7/11	10:30am-Noon	O'Brien Field	Follows ceremony
Directors Clinic	7/11	No ceremony	-	12:00pm
Student Conductor Clinic	7/13	11:00am-Noon	Taylor Hall	Follows ceremony
Drill Design Clinic	7/13	No ceremony	-	12:00pm
Drum Major Clinic, Session I	7/18	9:00am-10:30am	O'Brien Field	Follows ceremony
Mace & Signal Baton Clinic	7/20	11:00pm-Noon	Taylor Hall	Follows ceremony
Drum Major Clinic, Session II	7/25	9:00am-10:30am	O'Brien Field	Follows ceremony

In case of rain, ceremonies will be moved to Lantz Field House, directly east of O'Brien field. See map.

Meals Included in Fees:

1st meal: Dinner on the first day of clinic
- *through* -
Last meal: Breakfast on the last day of clinic

For early arrivals/late departures, meals can be purchased in the adjoining cafeteria with card only. Cost is \$8-12 per meal.

See "Meals and Dietary Needs" in Safety & Security Procedures for more information below.

Photography:

Photography is done by our in-house team. Group shots and candid photos will be made digitally available to participants as a part of their clinic experience. Look for info/access emailed after the conclusion of the clinic.

Currently, no professional DVD is taken of the closing ceremony, however, we do post closing ceremony recordings on our YouTube channel, as copyright allows.

For pictures and updates throughout the week, find us on Facebook, Instagram, and YouTube! Search "Smith Walbridge Clinics"

Public Transportation Guide:

Champaign, IL Illinois Public Transportation Terminal is the closest main transport hub to the clinics:
45 E. University Ave, Champaign, IL (1 hour from clinic)

Train: Amtrak. Call 1-800-USA RAIL or visit www.amtrak.com.
Champaign, IL only
Services Illinois Public Transportation Terminal.

Bus: Greyhound. 1-800-231-2222.
Services Illinois Public Transportation Terminal.
Burlington Bus Company. 1-800-992-4618.
Services Illinois Public Transportation Terminal.

Plane: American Airlines services Willard Airport (CMI) in Champaign. Bring extra cash for possible baggage fees. For those traveling by air, it is strongly suggested that you bring some essential items to last for a day on the plane in the event your luggage does not arrive. Investigate cheaper fares through Chicago, IL or Bloomington, IL and combine with Peoria Charter shuttles (see below). If possible, schedule departures after 3:00 pm on the final day.

Shuttle: Peoria Charter Shuttle Services: Round/one-way trip shuttle services are available between the Bloomington (IL) and Chicago Midway, O'Hare Airports and the Champaign Public Transportation Terminal. Bookings should be made at least one week in advance of travel. Call (800) 448-0572 for possible discount coupons then go to www.peoriacharter.com to book online. The Smith Walbridge staff will provide transportation from the Champaign Public Transportation Terminal to SW Clinics.

When traveling, please take this phone number. Keep with you and notify us if your arrival times changes:
Office: 217-687-2005

SW complimentary shuttle assistance

As a favor, SW will transport participants to and from the Champaign IL Transportation Terminal or airport for those traveling using public transportation (air, train, bus). A SW staff member in a SW shirt and a sign will meet participants at their designated location. **SW Clinics IS NOT a licensed chauffeur service.** Use of our transportation assistance is free, if desired, to help minimize travel expenses costs and is at the risk of the participant. SW Clinics is not responsible for delays or cancellations that may occur while traveling. SW will not be responsible for traveler's expenses resulting from cancellations, hotels, meals, or bag fees. SW WILL ONLY pick up in Champaign.

Those needing this assistance are required to complete and send the "Public Transportation Form."

Mail/fax/e-mail it to us not less than 5 days in advance.

The waiver must be signed.

Extra nights

To accommodate long-range travel plans, additional nights in the dorms can be requested at **\$30 per night**, per participant, not including extra meal costs. **Additional nights are not available for July 25th or later,** as the dorms will be closed. Extra night arrangements can be made after participant registration is complete, by contacting our clinic office at 217-687-2005.

SMITH WALBRIDGE CLINICS

Public Transportation Form

**Form must be submitted at least 5 days in advance of travel date!
(only if transport/ shuttle assistance is needed)**

Send to:
SW Clinics, PO Box 859, Mahomet, IL 61853,
Or fax: 866-401-4406 or email (preferred): swclinics@swclinics.com

Permission and Release (required if participant is under 18 years old):

I, _____ (parent/guardian), wish for a marked, sign-bearing representative from Smith

Walbridge Clinics to transport/shuttle my child, _____, to/from the Illinois Transportation Terminal or Willard Airport to/from the Smith Walbridge Clinic site at Eastern Illinois University. I understand that this is a favor, and that Smith Walbridge Clinics is **NOT** a licensed chauffeur service. I understand that the use of our transportation assistance is free to help minimize travel expenses costs and is at the risk of the participant. I understand that Smith Walbridge Clinics is not responsible for delays or cancellations that may occur while traveling, but will adjust shuttle pick-up time to meet an early or delayed participant. I understand that my child will spend a period of time in the transportation terminal/airport unsupervised, as SW only drops off/picks up. I understand that Smith Walbridge Clinics will not be responsible for traveler's expenses resulting from cancellations, hotels, meals, or bag fees.

SMITH WALBRIDGE CLINICS

DIRECTIONS TO TAYLOR HALL AND O'BRIEN FIELD

SMITH WALBRIDGE CLINICS

Smith Walbridge considers the safety and security of participants and staff a TOP priority at all times. Protocols are reviewed each season, overseen by on-site, acting administrators, and taught to all staff for additional support and enforcement. This document is a resource itemizing the policies and procedures which apply to the operation of all activities.

Safety

Health Form and Medical Needs

SW requires a health form to be submitted for each clinic participant. This information is kept on file and is available for use by administrative staff if a health situation arises. It contains insurance information, emergency contacts, special health needs, and pertinent medical issues, which would be helpful to a doctor, should it become necessary to seek medical assistance. If an emergency contact is not available and a situation is critical, SW takes the individual to the hospital. The health form and release signed by the parent/guardian (those under 18), and received at check-in, gives SW the authority to seek emergency medical treatment, and authorizes a qualified doctor to make emergency medical decisions. Sarah Bush Lincoln Hospital has a 24-hour emergency room, and is approximately 6 miles away. Sarah Bush Lincoln can/will also transport to Carle Foundation Hospital in Champaign, IL for further treatment. ALL MEDICAL COSTS ARE THE RESPONSIBILITY OF THE INSURANCE COMPANY, OR THE RELATED PARENT/GUARDIAN. THIS INCLUDES AMBULANCE COST, SHOULD THE SITUATION BE CRITICAL. The health form, including insurance carrier AND policy number, should be BROUGHT TO CAMP. **DO NOT send in the health form in advance.**

First Aid and Staff Training

The two supervising administrative staff members are required to maintain current American Red Cross Certification for First Aid, CPR, and AED training to handle minor first aid situations. They call the parent, guardian, or emergency contact to assist with making medical decisions. These administrative staff members are available 24-hours per day and carry cell phones. They are all over 21 years of age, one is male and one is female, and are involved in the field of education. Additionally, there is a first aid room in the residence hall in which participants can obtain ice packs, medications, or assistance. SWC owns an AED (Defibrillator) kept on-site with students in case of a life-threatening emergency. Refrigeration of medications is also available. Instructors carry first aid medical packs during outdoor classes for minor situations (insect bites, blisters, scrapes) as well as cell phones to call for further medical assistance from the indoor first aid location.

Sun and Heat Exposure

Most all of the outdoor classes are held in the morning, late afternoon, and/or evening. Afternoon classes occur indoors, or in heavily shaded areas. Participants are encouraged to wear hats, light colored clothing, and sunscreen. Instructors are trained to watch carefully for signs of overexposure to the sun. Students are encouraged to move out of the sun at early sign of sunburn or heat related issues. Water is constantly available to students in large water coolers at every outdoor location, and we encourage them to get water as often as needed. A clinic water bottle is provided to each participant upon arrival.

Meals and Dietary Needs

The food selection is diverse and nutritious with various choices for the main course. Every meal includes fruits, vegetables, salads, and various beverages. Students are encouraged not to skip meals. The food selection is extensive enough to satisfy the needs of vegetarians. Participants with special dietary needs should inform us at least one week in advance of the clinic, if not already identified on their online registration. Dining services will issue the participant a menu and separately prepared meals depending on needs/allergy/restriction.

Medication

Participants taking prescription medication must bring this medication in the bottle/package with the prescription, doctor, and dosing listed. For participants under 18, the parent/guardian may decide if 1) the participant may keep the medication and self-medicate, or 2) the SW first aid staff should keep the medication and distribute to the student. Please bring only enough medication for the duration at the clinic. If refrigeration is required, please make this known to our staff before the clinic. SW will distribute, but not administer necessary medications (i.e. injections, creams, etc.) except by emergency necessity. All medications and needs will be reviewed by our staff, in-person, with the participant and/or parent, upon check-in to the clinic.

Parent Contact and Medical Releases

SW staff will contact the parent/guardian of any minor (and emergency contact if they cannot be reached) for informative purposes regarding any condition/incident/situation which is anything more than needing a Band-Aid. Even if the event has been resolved, or is not worrisome to the minor participant, SW staff will always inform the parent of any health concern regarding him/her. If needed, course of action will always be up to the parent of any minor. If a parent/guardian will be out of the country or leaving their minor child in the legal care of another person during camp, please consider writing a temporary guardianship letter to allow this person to act on your behalf with regard to medical decisions, discharge, etc.

Prohibited Items

Participants may not bring or possess items that are considered inappropriate or threatening to a one's health or safety and include (but are not limited to) weapons, implements for purposeful cutting, drugs, alcohol, and objectionable images carried in print or on digital devices. To protect participants from themselves, or others, designated camp administrators may conduct an informed and witnessed search of personal effects if there is good reason to believe that prohibited items exist. Parents are always notified. SW will never conduct any personal search. Proper authorities will be involved for any and all instances of illegal activity or suspicion thereof.

Supervision

Evening Activities

Evening activities are optional and vary with the specific camp attending. They include a dance night with a local DJ, swimming at the University or Rotary Park pool, bowling at the University Union, and a talent/skit night (attendance required, participation optional). **Those wishing to participate in the skit/talent night should bring instruments, props, costumes, etc. as needed** for their performance. A piano and microphone will be available. All activities are supervised, students are escorted to locations by staff, and all appropriate lifeguards are mandated by the operating license of the pool.

Class and Free Time

During breaks, meals, and evening activities, students must remain in the immediate area commons of the residence hall and are supervised by our staff. This includes transportation to various locations on campus, and all evening events. During classes, students are supervised by their instructors and the head clinician. Attendance is taken at all classes (except for specialty classes, which rotate) and all classes are required unless excused by a staff member for health reasons. Water and restrooms are located close to all class areas.

Interns (counselors)

There are interns assigned to each floor of the residence hall. They are on duty 24 hours per day on their floor in the evening and all night. They supervise students during all free time including breaks, meal times, and evening activities. They perform bed checks in the evening and make sure all participants are awake and have departed for breakfast and classes in the morning. The interns are a very select group carefully chosen by SW administrators. They are all over 18 years old, college students, and undergo training prior to the camp. They are all background-checked. Two interns are assigned to each floor in each tower.

Guests/Early departures

Participants may not have guests outside Smith Walbridge Clinics on the premises, except for check-in/ check-out. Only those registered for the clinic may be on its grounds. Participants 18 and under are not allowed to leave the campus area unless accompanied by a verified parent/ guardian, or have been approved to leave by the legal parent/ guardian by a signed and approved note (contact SWC to obtain this release). Any early departures from the clinic must be accompanied by a parent/guardian, or parent/guardian approved adult in a signed note, submitted in advance. Early departures must check out and sign out with our administrative staff.

Non-Participants, Sponsors, and Band Directors

With the SW intern procedures, it is not necessary for groups to be supervised by sponsors or chaperones during the clinic. **Sponsors, band directors, or any other non-parent/guardian, who may be taking one of our adult Directors or Drill Clinics concurrently, may NOT take ANY minor child, even if they are “their students” from the supervision of SWC at any time during the clinic, once those students have checked in. ONLY a parent/guardian or appropriately authorized (by SWC release form) adult may leave the residence hall/camp facilities with a minor under 18 years old during the clinic session.**

Housing Arrangements

Attendees will have a same-gendered roommate from the same school, OR from the same clinic and approximately the same age. Bathrooms are communal, per floor, with privacy doors and curtains. Male and female participants are housed in separate floors within the residence hall. Male participants are not allowed on the female floors and females are not allowed on the male floors. Transgendered participants are housed in the facilities consistent with their expressed gender. Non-binary participants may choose their accommodation, or request a housing accommodation. We do reserve housing options for specific cases concerning gender, and those participants may contact us if accommodation is needed. Adult participants (college students) are housed on a separate floor from the high school students, as is all staff. Directors and Drill Clinic participants (adults) are housed in a separate building/facility, away from minor student participants.

Each participant is issued two keys- one to the security door for their floor, and one key for their room. Rooms should be kept locked when unoccupied. In addition to floor doors which are always locked, the residence hall's outer doors lock from 11pm-6am. Smith Walbridge is not responsible for lost or stolen items, as we have provided appropriate security for use. Keys are issued at check-in, and are collected at check-out. **Lost keys will incur a \$60 “re-core” fee.**

Inclement Weather

Smith Walbridge takes inclement weather very seriously. Students in outdoor classes are moved to back-up indoor locations during rain. In the event of lightening within a 6 mile radius of the clinic, students are moved indoors, and must wait 30 minutes to return outdoors after the last strike. SW works closely with athletic supervisors at Eastern Illinois University to assure weather safety. Multiple indoor facilities are secured to allow students to continue in classes.

Cell Phones

Participants in all clinics may keep their cell phones on them at all times, should they choose, and may use them throughout the day as they see necessary. The residence areas have free Wi-Fi. SW is not responsible for cell phone safety, use, or charges. Participants may **NOT operate their cell phone in any way in any restroom or shower areas.**

Car Keys / Participants Driving to the Clinic

Participants driving themselves to the clinics are able to park on campus at no additional charge. These participants will check-in and be issued a parking pass for the week noting their name, vehicle make/model and license plate. After unloading, participants will move their vehicle to a large, visible, lighted, adjoining lot for the duration of camp. Upon locking their vehicle, *participants age 18 and younger (high school participants) will check their keys with our administrative supervisor.* Keys are tagged and kept in a lock box in the supervisor's locked office. This is to protect both the vehicle owner and other camp participants. Keys can be retrieved at check out, using a state-issued ID or clinic-issued name tag. If a participant or parent has issue with keys being surrendered for the camp dates, please arrange for a drop-off/pick-up scenario, or an alternate transportation arrangement.

Health Mitigations and Protocols – 2025

*As the safety and health of all at Smith Walbridge Clinics is paramount, the following precautions have been implemented for the 2025 season. **This list is subject to change as events and policies unfold**, at the State Health Department, EIU, and elsewhere. Most current health mitigations and protocols can be found at www.swclinics.com.*

Tests or Vaccinations:

No proof of vaccination or negative tests of any type will be required for entry to the 2025 clinics. We highly recommend, but will not require, all eligible participants to be vaccinated for all vaccines they are eligible for, including flu and Covid-19. SWC also highly recommends, but will not require, each participant to take an at-home (or other) Covid-19 antigen or PCR test immediately prior to their arrival at the clinic.

Masks

Masking at the clinic in all spaces is optional. If participants choose to mask, they will supply their own masks. Extra masks will be available for a small charge in the clinic store.

Housing

Participants will have a roommate. Students of the same sex and of the same school are roomed together, unless requested otherwise. Other students have a roommate from the same clinic, and of the same approximate age. Students may not enter the rooms of others on their floor. They are welcome to meet in common areas within the residence hall and on the surrounding lawn/quad. Bathrooms are communal. Surfaces in bathrooms are cleaned each day using a disinfectant spray. Every other day, bathrooms are completely scrubbed down. Air filtration systems exist on every floor, each with recommended filters. All rooms are opened, cleaned, and sanitized before participant entry. In almost every instance, the room has been vacant a minimum of 48 hours before occupied by an incoming participant.

Bedding

Participants will bring in, and then pack out their own bedding. Please bring appropriate storage (bags) to cover and depart with all sheets/blankets/pillows/sleeping bags. This minimizes our staff contact with participant used bedding, and eliminates dirty bedding mass collection at the conclusion of the clinic. All beds are twin XL size mattresses.

Lobby

Hand sanitizing stations and wipes are available in the lobby near all doors and in the lower level. Participants are encouraged to move their activity during free periods outside to the lawn area.

Check-In

Clinic check-in will be outdoors, weather permitting. Parents may accompany their child at the check-in. A health prescreening will be completed, as well as a temperature check. Parents will not be allowed into the residence hall or onto any student floor. Hugs and goodbyes, or time spent chatting before the clinic is welcome outdoors in the lawn area. We ask that you please not ask to be an exception to this rule. Any assistance needed will be provided by the participant's floor intern.

Dining

Clinics eat in shifts to avoid lines and crowds. Meals are dine-in, in the attached cafeteria. Students are not to share food or drink, and dispose of their dishes on a belt that delivers to the cafeteria wash room. Cafeteria staff routinely wipe tables down as students clear them.

Other Camps/Conferences

Other camps and conferences do run concurrently with Smith Walbridge Clinics. They do NOT use the same residence hall facilities, but they DO utilize the same cafeteria services. Dining times with these groups are staggered.

First Aid

Participants with injury-related needs who visit the first aid station are separated by wall-type dividers. The staff in first aid wear additional PPE when necessary for close contact, depending on the injury. Participants are asked to participate in their own first aid care as much as possible to avoid close contact (i.e. apply own band-aid, etc.).

Sickness

Participants feeling ill will be monitored by our staff but will be asked to quarantine in their room. Temperature and symptoms will be monitored. For any illness that is not fleeting (temporary headache, allergy, etc.), the participant will remain quarantined, and the parent will be called to pick up the participant (or dismiss in writing if they drove themselves). SW will share any and all symptoms and recorded information with the parent, as requested. Any roommate of a participant who becomes ill will be issued a new room.

Procedural Modification

SW may modify health related procedures at its clinics. SW works closely with EIU, the Coles County Health Department, and the Illinois Department of Public Health to ensure best practices are being implemented and followed for the safety of all participants, staff, and the larger surrounding communities. Attendance at SW Clinics means that you accept the current and updated health related restrictions and procedures. SW reserves the right to dismiss any participant who cannot abide by these guidelines and subsequent modifications or refuses to do so.

Behavior and Conduct Agreement

The Behavior and Conduct Agreement, below, was signed online at registration by the participant or the participant's parent/guardian (if under 18), allowing SWC to implement the policy. Please review the following before attending the clinics:

In addition to Clinic Day-to-Day rules and guidelines, SWC has a strict no bullying policy regarding conduct. We wish for participants/parents to be fully aware. Please read below and agree to the bolded print at bottom.

Definitions:

BULLYING—Any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student that has or can be reasonably predicted to have the effect of one or more of the following:

1. placing the student in reasonable fear of harm to his/her person or property;
2. causing a substantially detrimental effect on the student's physical or mental health;
3. substantially interfering with the student's academic performance; or
4. substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by camp.

Bullying may take various forms including, without limitation, one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is illustrative and not exhaustive.

CYBER-BULLYING—Use of information and communication technologies to support deliberate, hostile behavior, through a single incident or repeatedly over time, by an individual or group, that is intended to harm others or has the potential to create a material disruption to the camp environment. Any action of bullying or harassment that has the potential to cause material disruption at camp that occurs on campus or away from campus in cyberspace will be considered as clinic-related, including on any form of social media.

HARASSMENT— Subjecting a student to a hostile or intimidating camp environment because of, but not limited to, the individual's race, religion, creed, color, national origin, age, physical aspects or ability, gender, or actual or perceived sexual orientation. Harassment includes any action that may cause an individual to be alarmed, intimidated, or have serious discomfort in the school setting. Harassment may be physical, verbal, or visual (notes, drawings, gestures, etc.) and includes hate speech.

Bullying/Harassment Conduct Agreement - Please Understand:

- Harassment is defined by the victim, not the harasser. ANY action that causes the victim to feel threatened, belittled, afraid, ashamed, hurt or upset in any other way must immediately cease. It may be necessary for the parties listed above to have no further contact with each other, to the extent they may not even look or talk to each other.
- Responding to harassment with harassment is not acceptable. If you can't make it stop, ask an adult for help.
- While students have rights to freedom of speech, rules of conduct expressly forbid menacing, fighting, profane or obscene language, and any other behaviors meant to cause harm.

Harassment behaviors, whether face to face, indirectly, or electronically, may include, but are not necessarily limited to:

Verbal Aggression:

Name Calling, Mocking, Teasing or using sarcasm, Spreading rumors, Threats, Making noises at someone

Intimidation:

Publicly challenging others to do something they don't want to do, Playing a dirty trick, Taking things, Demanding money or extorting other items

Emotional:

Excluding, Tormenting, Hiding things, Threatening gestures, Ridiculing, Instigating-(any other acts not mentioned), Staring

Physical aggression:

Pushing, Tripping, Kicking, Pinching, Punching, Spitting, Slapping

Sexual:

Touching, Dirty Jokes or sexual language, Inviting out on dates or to go steady when they have said they are not interested, Nicknames

Racial or Stereotyping:

Derogatory comments or nicknames about physical, behavioral or cultural, differences

Written or electronically generated:

Threatening or inappropriate notes or drawing, Any items listed above taking place on electronic media.

Policy statement:

Bullying and/or harassment will not be tolerated. Any reports of bullying, harassment, and/or conduct violations will be taken seriously and investigated. Consequences range from discussion and modification to behavior, to dismissal from the clinic/camp.

SWC Drumline/Front Ensemble Part Placement Video

READ DIRECTIONS FIRST:

For all participants in the Drumline and Front Ensemble Clinic only: bass, snare, tenor, and mallet/keyboard players.

Perform the lines below. Playing on a concert snare or pad is perfectly acceptable for bass, snare, tenor players. Any keyboard instrument is acceptable for mallet players. **Video yourself so only the instrument, your hands, and upper body/head are in the frame (fill the frame).** Start by telling us your name and instrument you will be playing at camp.

The image displays three systems of musical notation for a drumline and front ensemble. Each system consists of a drum part and a keyboard part. The first system is for the Drum and Keyboard. The second system is for the Drum and Keyboard, with a '3' above the drum staff. The third system is for the Drum and Keyboard, with a '5' above the drum staff. Each system includes the instruction 'Each repeat a little faster' above the staff. The drum parts use a staff with a double bar line and a key signature of one sharp (F#). The keyboard parts use a standard five-line staff with a treble clef and a key signature of one sharp (F#). The drum parts include rhythmic notation with 'R' and 'L' indicating right and left hands, and '4 x' indicating four repetitions. The keyboard parts include rhythmic notation with 'R' and 'L' indicating right and left hands, and '4 x' indicating four repetitions. The second system includes accents (>) above the notes. The third system includes accents (>) above the notes.

To submit to SWC:

1. Save your file as "YourLastName.YourFirstName.2025"
2. Upload to a cloud service (like google drive) and share the link (**settings must be: "anyone with the link" can view**), OR upload to YouTube as unlisted, and send us the link (this method preferred).
3. Send links to swclinics@swclinics.com
4. Complete this no later than July 1, 2025.

Note: **EVERYONE will play the instrument they wish, and the one they are bringing to camp.** We DO however have scaled parts based on level and experience so that each musician is appropriately challenged and learning, without being bored or overwhelmed. Because of rising camp numbers, it is most effective to evaluate each student's level before their arrival. Saving this time allows us to have the best experience together. Do not stress too much about this submission.
